

Director's Corner

August 15, 2019

Welcome to the Director's Corner, a new part of our website that will be updated regularly to give a peek into York Avenue Preschool. We are so excited to share all the wonderful things that take place at the school throughout the year!

The few weeks between camp and school are quiet but busy. The entire facility gets cleaned from top to bottom and classrooms are being prepared to welcome new and returning students.

We have added some new staff with the expansion of our Twos program and we look forward to welcoming them to our community. Our teachers are already communicating within their teams and planning for the year ahead. For teachers and school administration, there is nothing quite like the excitement and anticipation of the weeks leading up to a new school year!

September will be a busy month for all of our students. Our Twos will be separating and begin their first school experience. This can be an emotional time for both children and parents, and we create a gradual process that is comfortable for all. Our Threes will be excited to reconnect with old friends and meet new ones, while Fours students get to experience being the "biggest" kids in school and get ready to soar!

Our Parents Association is also hard at work behind the scenes, coordinating lots of fun-filled events to bring our parent community together. These begin with parent cocktail parties and a schoolwide Fall Fest in October.

We encourage you to check back in each month to stay updated on all of the fun and learning that happens within our beautiful space!

Warm regards,

Carissa Canovas & Nancy Baldaro
