

York Avenue Preschool
Director's Corner

September 2020

Welcome to the Director's Corner, a place for updates and a glimpse into York Avenue Preschool!

The entire administrative and support teams have been working determinedly over the past months to prepare ourselves, our facility, our faculty, and our families for the year to come. Although some parts of the year will be hard to predict, we know that we are delighted to have your children back with us.

Our teachers are busy preparing for the school year. Everyone is eager to get to work and return to doing what they love – working with your children.

September is always a rollercoaster month in preschool – returning students excited to be back and new students experiencing apprehension in a new environment and with the challenge of separating from their loved ones. We expect this September to be more unpredictable for children who may have been home with only their family members for six months. Some may be eager to get back while others might take extra convincing. Our teachers are prepared for this and are ready to partner with families to give extra support.

We are planning to have a full, engaging, enriching year at York Avenue Preschool. The year may look different, but everyone on the York Avenue team is confident that it will be just as meaningful as any other.

We look forward to welcoming you back in the coming weeks! Please check back here monthly for more information and what's happening in the classrooms.

Applications for the 2021 – 2022 school year will be available online September 8th, starting at 8am. We look forward to “meeting” you through the admissions season!

All our best,

Becky Laird, Nancy Baldaro + Vicky Versace McLaughlin
